

YOUNIQX

Your whole life is digital, but the world around you seems like it's stuck in the past? Do you wonder why you don't just have your driver's license on your smartphone? Why you can't open a new bank account while sitting on your sofa? Why you constantly have to worry about the security of your crypto-wallets? We do! Develop identity solutions with us and let our vision come true.

We are looking for a

Scrum Master (m/f/d)

You'll be responsible for

- Coaching and mentoring one or more of our cross-functional teams
- Increasing the efficiency of your teams, helping them deliver high quality, high value software at a sustainable pace
- Facilitating meetings and discussions
- Coaching the Product Owner in agile product management
- Creating a culture of continuous improvement in your teams
- Shaping your team's and the organization's agile mindset

You'll fit right into our team if

- You have at least one year of experience as a Scrum Master
- You embrace the agile values and principles and act as a true servant leader
- You have excellent communication skills and can inspire and motivate Scrum teams
- You know how to facilitate meetings and conflicts effectively
- You understand how important continuous improvement is, and act as role model in developing your skills further
- Good spoken and written German

What it's like at youniqx

- Open, innovative and laid-back environment in a young company
- You and your team work autonomously and have the opportunity to shape our future
- Openness for mistakes and feedback
- Our success is your success - we have a bonus agreement with all employees
- Flexible working hours
- Remote work is possible (within Austria), while we still come together regularly once a sprint in Vienna

When joining youniqx, you'll be working in an environment where security is fundamental, so we will ask you to complete a security clearance.

For this position, the minimum gross salary is 2.428€ per month (38.5h/week), your actual salary depends on your qualifications and experience.
